This story is filled with symbolism and typology that gives way to a progressive redemptive history of our savior Jesus the Christ. John 1:14 tells us that the "Word became flesh" and dwelt among us which is the Greek translation "Tent of Meeting". You will leave this course with an understanding of what True worship is and how God is seeking true worshipers to worship Him in Spirit and in Truth. This course will be a continuation of Session 1.</p>
